

**Member Countries
of the
Asia-Pacific Economic Cooperation (APEC) Engineer Coordinating Committee**

Members of the agreement have full rights of participation in the agreement; each operates either a national section of the APEC Engineer register or a national section of a combined APEC Engineer/International Professional Engineer (IntPE) register; registrants on these national sections may receive credit when seeking registration or licensure in the jurisdiction of another member.

Requirements and eligibility information (also called Assessment Statements) for the following APEC countries are available at <http://www.ieagreements.org/APEC/AStatements.cfm>.
