

**Member Countries
of the
Engineers Mobility Forum (EMF) Coordinating Committee**

Members have full rights of participation in the agreement; each operates a national section of the International Professional Engineer (IntPE) register; registrants on these national sections may receive credit when seeking registration or licensure in the jurisdiction of another member.

Requirements and eligibility information (also called Credit Documents) for the following EMF countries are available at <http://www.ieagrements.org/EMF/credits.cfm>.
